“villain to my story” (EP, release 21.06.2024)

The press has already praised jupiter flynn’s debut album, now she is announcing an EP. A little recap of the album reviews: “Even Taylor Swift could be jealous of the guitar ballad ‘the idea of me’” (**Rolling Stone**) - "Remarkably mature debut" (**Brigitte**) - “Exactly what's needed to travel through life and first loves" (**Schall**) - “Indie pop performed to perfection" (**Plattentests.de**)

jupiter flynn once again demonstrates her mastery in storytelling with her latest EP, *villain to my story*, produced by **Pola Roy** and to be released on **21st of June**. While her debut album *moon* propelled us into the depths of space, this new offering invites us on a journey through the tumultuous landscape of toxic relationships.

The EP commences with a powerful anthem-like track, *monsters and men*, setting the tone with its rock-infused energy and a resolute declaration amidst the shadows: "I'm not afraid of the dark."

As the narrative unfolds, *villain to my story* navigates the highs and lows of a turbulent relationship, blending melancholic melodies with bursts of optimism against a backdrop of electronic beats.

another sad song elevates the emotional rollercoaster, momentarily suspending us in weightless reflection before propelling us forward with a sense of hope.

goodbye and good luck marks a decisive moment as we finally sever ties with toxicity, embracing newfound liberation, leaving swirling dust clouds in our wake.

Closing with *all or nothing*, the EP concludes on a tranquil note, offering a sanctuary of electronic-infused serenity. jupiter flynn's evolution is evident, with her vocals taking center stage amidst a backdrop of predominant guitars and synthesizers, exuding confidence and clarity throughout the journey.

jupiter flynn's EP "villain to my story" will be released on **21st of June** 2024 via Polanoa Music/Wagram Stories Berlin.

About jupiter flynn

jupiter flynn is a young singer-songwriter born in Amsterdam. She has lived in Tokyo, New York, Sydney and Frankfurt and is now based in Berlin and has supported artists like Pablo Brooks, M.

Byrd and Pina Palau, but has also stood on stage as the main act.

She released her debut album in November 2022, which she recorded with her producer Pola Roy (drummer of Wir sind Helden) in his studio.

Her compositions are of a fragile, light-footed indie-pop quality, while her husky voice and dark coming-of-age lyrics form a strong counterpart that lends her work a captivating depth.
